

COMPANY PROFILE

Travel2C is an outgoing tour operator, health travel specialist and organiser for special interest groups in the Netherlands.

Travel2C provides tailor made travel products, health trips (Psoriasis) and small incentives for groups and FIT's. A special market segment is working & retired employees of welfare departments and associations in major established organisations, institutions, unions and government departments.

Travel2C enjoys an excellent reputation in outstanding (personalised) service and flexibility in combination with high quality products for reasonable rates.

Travel2C is looking for partners /suppliers who are able to cover a comprehensive range of travel services in handling groups and FIT's with a highly professional approach. In order to meet visitors expectations, services should be reliable and personalised and high quality products should be offered against competitive rates.

Service(s) required: accommodations, food/banquet facilities, air ticketing, transfers, coaches/ limousines, guide services, sightseeing tours, spa/wellness.

Travel2C's most important objective is that its partners and suppliers understand and emphasize the main key for repeaters: customer satisfaction.

Travel2C is looking for new opportunities:

1. New products: accommodations and spa/wellness.
2. New destinations, hidden gems.
3. New selling channel: internet and social media.
